**DETAILED ACTION**

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

***Continued Examination Under 37 CFR 1.114***

2. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 2/6/09 has been entered.

***Claim Rejections - 35 USC § 103***

3. The rejection of claims 29, 30, 33 - 36, and 45 - 50 under 35 U.S.C. 103(a) as being unpatentable over Heinonen '020 in view of Heinonen '586 and Berman (WO 00/21437) is hereby maintained for the reasons of record.

4. The rejection of claim 31 under 35 U.S.C. 103(a) as being unpatentable over Heinonen '020, Heinonen '586, and Berman as applied to claim 29 above, and further in view of Mault is hereby maintained for the reasons of record.

***Response to Arguments***

5. Applicant's arguments filed 2/6/09 have been fully considered but they are not persuasive. Applicant alleges that per the Petition to Accept an Unintentionally Delayed Claim for Priority they have removed the Berman reference as prior art. However, both the initial Petition filed 2/6/09 and the Renewed Petition filed 3/5/09 were Dismissed for

the reasons given in the Decision letters mailed 2/24/09 and 6/22/09, respectively. As such, Applicant has not removed Berman as prior art, and therefore the rejections remain proper.

### ***Conclusion***

6. All claims are drawn to the same invention claimed in the application prior to the entry of the submission under 37 CFR 1.114 and could have been finally rejected on the grounds and art of record in the next Office action if they had been entered in the application prior to entry under 37 CFR 1.114. Accordingly, **THIS ACTION IS MADE FINAL** even though it is a first action after the filing of a request for continued examination and the submission under 37 CFR 1.114. See MPEP § 706.07(b). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
